Respected Sir

Myself Dr. Namrata Joshi, Dept of Rasa Shastra, Faculty of Ayurveda, IMS, BHU.

Sir, it is to inform you that today a DRC meeting was scheduled in my Department at 11.30. a.m. In the meeting, firstly I was not allowed to write my comments on the progress reports discussed. Later on, on my continued objection, the Head told me that he will allow me at the end of the meeting. But, when the meeting ended at 1. p.m., he again refused and harassed me. Hence I took the papers by myself and started writing my comments. Meanwhile, he called the Proctor office. from where two female guards came and they took away the papers from me and I was not allowed to perform my duty. Hence it is requested to kindly take necessary action.

With esteemed Regards.
